Thank you, David. Let's have the 16th as the date of our meeting. The 17th is already fixed.
Any help or assistance in your accommodation?
Regards

Subject: Update

Dear yakov,
I have been able to adjust my timeline so that I can be this coming week (16-17) in Moscow if still possible.
Let me know if we can push it.
Thanks

Best regards,
David zisser
